Permission

I have discussed these options with my son/daughter and agree that these are suitable choices for him/her. I am also aware of the following statement, and give my permission for participation in adventurous activities. "Parents, carers and young participants should be aware that adventurous activity can result in accidents, and on rare occasions, some of these can be serious"

Signed Parent or Guardian

Medical Information

Is there anything that you are aware of that we should know that would affect your daughter's/son's participation in any of the above activities?

If so, could you please inform the school on this form or directly.
