

DINGWALL ACADEMY – CHILD PROTECTION POLICY

All children have a right not to be abused and to be protected from abuse and neglect, therefore child protection is the responsibility of everyone.

In Dingwall Academy we are committed to creating an environment in which children are safe from abuse and in which any suspicion of abuse is responded to promptly and appropriately. The well being of children in our care takes precedence over any other consideration. It is the clear responsibility of all those involved in Dingwall Academy to adopt good practice throughout their work.

In order to achieve this we will:

- Seek to work in partnership with parents, carers, other agencies and Highland Council to promote good practice in the area of child protection.
- Update any changes in child protection policy and practice under the guidance from the designated person in the school.
- Endeavour to ensure that all staff have access to appropriate child protection training, supervision and support in order to implement this policy effectively and with the minimum of stress.

The detailed arrangements, systems and procedures for ensuring that the above policy statements are fully implemented are contained in the Inter-Agency Child Protection Guidelines published by the Child Protection Committee.

Child abuse is a criminal offence. All staff working in Dingwall Academy have an ethical duty to report any reasonable concern that a child may be being abused.

The role of members of staff is to inform the Rector or designated member of SMT of any instance which suggests that abuse is taking place. It is not the role of the member of staff to wait for proof, investigate or gather evidence of abuse.

When a child tells an adult about possible abuse, his or her statements should not be dismissed or ignored. The adult should attend carefully to what the child wants to communicate, taking account of the child's age and stage of development, and allow the child to say what he or she wants to say without being drawn into detailed questioning.

Dingwall Academy will always seek to work with families in a clear, positive and open way, bearing in mind always that the welfare of the children is paramount.

In Dingwall Academy the designated person is:

Ms J Kerr, Depute Rector, Pupil Support

**COPIES OF CHILD PROTECTION POLICY GUIDELINES
are available from the Head Teacher, Ms Kerr, The Guidance Team**

REMEMBER: Any concerns about the well-being of a child need to be shared.

No matter how good we are at evaluating and assessing matters to do with children in our classes, when it comes to the child's welfare we **cannot** evaluate and assess potential danger, risk and/or damage, as we only know a tiny part of the whole picture. We **must** share our concerns with the designated person.
