

PERSONAL ACHIEVEMENT SCQF 1&2

What will I study?

Personal Achievement Awards recognise small but significant successes in a variety of areas. These Awards are ideal for those who require additional support for learning, and for organisations working with learners who build up achievements in small steps. Available at SCQF Levels 1 & 2 and at three stages of achievement: Bronze, Silver and Gold. Learners can progress through these stages, building on their achievements at each stage. Candidates can target their own individual development needs and assessment is based around these individual needs.
