

PERSONAL DEVELOPMENT SCQF 2

What will I study?

Personal Development Awards aim to help learners become employable, contributing and independent members of society through the development of transferable life skills. The course encourages pupils to build a range of personal, social and vocational skills such as evaluating, planning, reviewing, managing tasks and working with others. Pupils can target their own individual development needs and assessment is based around these individual needs.

What skills will I develop?

- Independent living skills
- Managing basic finances

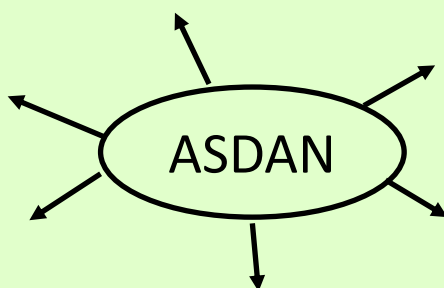

How will I be assessed?

Pupils will be assessed by their class teacher.

What can I go on and study in fifth and sixth year?

- National 3 →
- National 4 →
- National 5 →
