S4 Choose 6 subjects – SQA subjects

National 3, National 4

National 5

Higher, Advanced Higher

- **Skills for learning**
- **Skills for life**
- **Skills for work**

Skills for learning

WHOSE RESPONSIBILITY?

- Teacher ?
- Pupil ?
- Home ?

PARENTAL ENGAGEMENT

- **What the research says:**
 - Significant gains for learner's success through parental encouragement and high expectations (Desforges, 2003, Harris *et al.*, 2007, Hattie, 2009)
 - Largest effect is parental expectation (Jeynes, 2005)
 - What parents do at home has the greatest influence (Christenson and Peterson, 2008) but involvement in homework is not sufficient (Harris *et al.*, 2007)
 - When 'involvement' is not directly linked to learning – little impact on achievement
- 

But I'm only in 1st
year !..

S4 PUPILS ...

**“More time on
study skills
and revision
technique.”**

WHAT WE KNOW ABOUT LEARNING ...

- Active Learning
- Reading alone of limited value

LEARNING LOGS

**Homework
set by the
teacher**

**Responsibility
for learning**

Mrs Cormack

10:28

2N1 Our Learning Week:

Miss MacKenzie's Science class have homework for Thursday 31st August.

Miss Gould's Science class had to make a booklet on neutralisation and the PH scale. They also have a test on Wednesday 30th August.

Mrs Slaven's class had Art homework - they had to go out into the wild!

Mr Court's Maths class had homework for Tuesday 29th August.

Good Luck to those playing with the S2 Football team in their first game against Fortrose on Wednesday.

All S2 took part in the Sport Fair in school on Tuesday 29th August.

In House Tutor time - 2N1 are working on their listening skills, still work in progress ...
