

Young STEM Leader Programme

What will I study?

You will have the chance to inspire, lead and mentor your peers through the creation and delivery of STEM activities, events and interactions within the school or community. This will help to raise awareness of the STEM hidden within our everyday lives and interests

What skills will I develop?

Important leadership, communication and employability skills, working towards a YSLP Award will also help to motivate you to progress through STEM studies and perhaps eventually embark on a career in STEM.

How will I be assessed?

Young STEM Leader Awards at SCQF Levels 4, 5 and 6 (YSL4, YSL5 and YSL6) are formal qualifications, credit rated by SQA and underpinned by learning outcomes and performance criteria for each level.

- On completion of either YSL 4, 5 or 6 award you will gain 3 SCQF credit points for around 30 hours of work.

Possible Careers

The Young STEM Leader Programme will hopefully inspire you to continue with your studies in STEM. The skills developed during the programme will be transferable to lots of different careers.

What can I go on and study in fifth and sixth year?

If you choose to complete YSL4 then your next level of progression will be YSL5 and so on.
